Welcome home to Ivy Meadows

The original development began in 2004 in a lush, grassy meadow. The developer had a vision for moderate homes in a quiet community that reflected the tranquility of this rolling land. Since 2004, many fortunate people have built homes and enjoyed a peaceful life in Ivy Meadows. Now it's time to offer Phase 2.

Phase 2 of Ivy Meadows is a gentle hill that borders the valley. There are six homesites in this section, with one hilltop lot already showcasing a stunning home recently appraised at over \$700,000.
